

A TRIP THAT WILL CHANGE YOUR LIFE...AND THEIRS

Join Pure Water for the World in Honduras: October 15-21, 2017

“My trips with Pure Water for the World have changed me. As humans, we have an innate desire to help, to make a difference in this world. Pure Water has given me the opportunity to put my compassion for helping others into action! Knowing the simple act of installing a water filter into a family’s home can make such a massive impact on their lives is what keeps me going back. The hugs and smiles as you leave a home are the “thank yous” that touch your heart. I return home knowing that I made a difference in the world, and that’s an AMAZING feeling!” – Eric Johnson, Wesley Chapel Rotary

Why Volunteer in Honduras with Pure Water for the World?

- ◆ **The current situation:** 98% of families in the Trojes region *only* have access to contaminated water. Over 50% lack access to sanitation facilities. Waterborne illnesses are widespread. Children miss school. Adults miss work. *The cycle of poverty prevails.*
- ◆ **You will be a part of the solution.** Clean water and hygiene bring change. Your participation will directly impact families, giving them the foundation for a healthier, more prosperous future.

Trip Highlights:

- ◆ Spend 3 days installing water filters in homes and piping to get water to schools;
- ◆ Participate in the administration of anti-parasite medicine to community members;
- ◆ Visit cultural sites (i.e. cigar factory, coffee mill, tobacco farm);
- ◆ Learn facts about Honduras and the Honduran culture;
- ◆ Interact with children and community members.

Cost: \$1,235 per person, plus airfare to and from Tegucigalpa. Cost excludes souvenirs, alcohol and food at the airport. Travelers will purchase their own airline tickets, but Pure Water for the World staff will coordinate flights to ensure you will be greeted at the airport.

Trips fill quickly! Space is limited. Secure your spot. A \$500 deposit is required with your reservation*. Make checks payable to Pure Water for the World. Please note that funds are for the “October 2017 Honduras trip”. *Mail checks to: Pure Water for the World – P.O. Box 55 – Rutland, VT 05702.*

This is a great opportunity to witness the real impact Pure Water for the World is making and to participate directly in bringing life-saving clean water and hygiene solutions to Honduran families!
