

## A TRIP THAT WILL CHANGE YOUR LIFE...AND THEIRS

Join Pure Water for the World in Haiti: November 5-10, 2018

*"Traveling to Haiti with Pure Water for the World was the best decision I've ever made, and it provided me with clarity for my future humanitarian efforts and career path..."*

*-Victoria Garrow, Interactor and High School Student*

*Pure Water has made a difference [in Haiti]. I am proud to have played a small part in that success."*

*- Tony Gilmore, Past District Governor Rotary District 7870, VT/NH*

### Why go to Haiti with Pure Water for the World?

- ◆ **The current situation:** 80% of Haitian families live in poverty. Over 50% lack access to clean water, and more than 75% have no access to sanitation. Waterborne illnesses are widespread. Children miss school. Adults miss work. *The cycle of poverty prevails.*
- ◆ **You will be a part of the solution.** Clean water and hygiene bring change. Your participation will directly impact families, giving them the foundation for a healthier, more prosperous future.
- ◆ **International volunteer experience.** This is a unique opportunity to gain invaluable experience volunteering abroad, being of service to others, and experiencing another culture and way of life.

### Trip Highlights:

- ◆ Learn about PWW in Haiti: clean water implementation programs, the water quality lab, WASH training and consulting services, and more.
- ◆ Visit families and schools where filters are installed. Talk with community members. Interact with children.
- ◆ Take part in field and lab testing. Share ideas.
- ◆ Install water filters in family homes and change lives.
- ◆ Visit cultural sites. Learn about Haiti and its culture.
